SCATTINO

NOVITÀ

il klik
che ti
semplifica
la vita

Hai rotto il **tappo a griglia**, o vuoi rinnovare il tuo **lavello**?
Ti basterà svitare il vecchio perno a vite e avvitare quello nuovo con la chiave in dotazione e... **il gioco è fatto!**

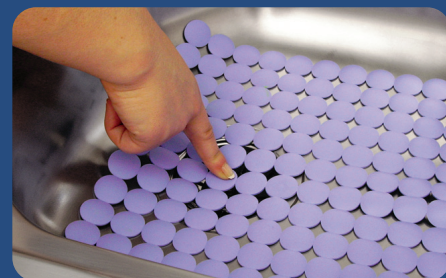

Vantaggi:

Basta una lieve pressione per chiuderlo e aprirlo, permettendo così sempre la stessa altezza di apertura.

Funziona anche con l'aiuto di un utensile

Scatta anche in presenza del tappetino in gomma
